I am excited to serve on the Compensation Review Committee and believe I bring a wealth of professional experience that aligns to the committees overall objective.

I bring over 12 years of experience in Human Resources management and organizational development, supporting federal agencies and executive leadership teams within the Department of Defense and the Intelligence Community.

Throughout my career I've worked extensively in areas including compensation-related workforce planning and policy analysis. I regularly interpret and apply personnel policies and compensation-related guidance, such as the Defense Civilian Intelligence Personnel System (DCIPS), to establish pay setting guidelines across federal positions. My professional background has required that I balance fiscal responsibility with organizational goals, which I believe are important perspectives when evaluating compensation for elected officials.

This will be my first experience serving the City of Hyattsville, and I look forward to the opportunity!

Street Sweeper Memorandum of Understanding - City of Mount Rainier

**Suggested Action:**

I move that the Mayor and Council authorize the City Administrator to execute a Memorandum of Understanding with the City of Mount Rainier for the City of Hyattsville to offer street sweeping services on a requested basis. Daily services will be charged to the City of Mount Rainier at \$850 per day.

**Legal Review Required?**

Completed

**Summary Background:**

As part of a FY17 street sweeper purchase, to offset the cost to the City, staff conducted outreach to adjacent municipalities to offer street sweeping services to communities lacking this important service. The City has since provided this service to the Town of University Park and the Town of Edmonston. The City of Mount Rainier has requested street sweeping services from the City of Hyattsville.

The terms of the MOU provide that the street sweeper will be solely owned, operated, and maintained by the City. The City will provide street-sweeping services, including an operator and street sweeper, for cleaning streets designated by the City and for the removal and disposal of all collected debris. The City will also provide all required water and pay all associated costs. The City of Mount Rainier will pay the City of Hyattsville a daily fee of eight hundred fifty dollars (\$850). A day is defined as the period from 7:00 a.m. to 3:30 p.m., including travel time and breaks.

**Next Steps:**

Execute the MOU with the City of Mount Rainier and begin street sweeping services for the City of Mount Rainier on an as requested basis.

**Fiscal Impact:**

Funds for this initiative will offset the cost of street sweeper operation.

Goal 2 – Ensure the Long-Term Economic Viability of the City

**MEMORANDUM OF UNDERSTANDING**  
**Between the City of Hyattsville and City of Mount Rainier**  
**for the Street Sweeping Services**

This Memorandum of Understanding made this 3 day of June 2026, by and between the City of Hyattsville, Maryland, a body corporate and politic in the State of Maryland (hereinafter “Hyattsville”) and the City of Mount Rainier, Maryland, a body corporate and politic in the State of Maryland (hereinafter “Mount Rainier”) (and referred to collectively herein as the “Parties”) is for street sweeping services.

**WHEREAS**, Hyattsville owns, maintains, and operates street sweeping equipment the Parties wish to utilize to clean the public streets in Mount Rainier; and

**WHEREAS**, by this Memorandum of Understanding (hereinafter “MOU”) Hyattsville will solely maintain, service, and operate the street sweeper in exchange for a rental fee paid by Mount Rainier to Hyattsville.

**NOW THEREFORE**, in consideration of the mutual covenants contained herein and other good and valuable consideration, receipt and sufficiency of which is acknowledged by the parties hereto agree as follows:

1. Street Sweeper. The parties agree that the street sweeper shall be solely owned, operated, and maintained by Hyattsville. All costs relating thereto shall be the sole responsibility of Hyattsville.

2. Fee. As consideration for the cleaning of public streets and disposal of waste collected, Mount Rainier shall pay to the City of Hyattsville a daily fee of eight hundred and fifty dollars and zero cents (\$850.00) for each day or each part of a day the streets are cleaned in Mount Rainier. A day is defined as 8 hours, inclusive of travel time between Hyattsville and Mount Rainier and all breaks. Work hours are generally from 7:00a.m to 3:30 p.m. The Director of Public

Works for Hyattsville may establish a *pro rata* fee schedule consistent with the requirement that one day (as defined herein) shall equal \$850.00 payment. If cleaning is scheduled to exceed 8 hours per day and approved by the Director of Public Works for Hyattsville, the daily fee will be adjusted appropriately. Hyattsville shall provide a monthly invoice to Mount Rainier and payment is due within thirty (30) days of the receipt of the invoice.

3. Surcharges. The following surcharges may apply if the following conditions are met.

- i. Fuel – An additional fuel surcharge may be added if the average fuel price increases by more than 10% of the average price on the day of execution. This surcharge will offset the increased fuel cost and will continue until fuel prices are equal to or less than the average price on day of execution. If fuel prices are less than the average price on the date of execution, there will be no adjustments made.
- ii. Disposal – An additional surcharge may be added if the disposal fees as charged by Prince George’s County increase after the date of execution of this MOU.

4. Scheduling. With respect to scheduling the use of the street sweeper, the Parties agree that Hyattsville has scheduling priority. The Parties further agree that Mount Rainier, subject to Hyattsville’s scheduling needs, shall be entitled to street sweeping on days it requests in the schedule established by the Directors of Public Works for Hyattsville and Mount Rainier. The Parties shall meet yearly to schedule the Street Sweeping for each subsequent year. Such schedule shall allow Mount Rainier street sweeping services during the months requested.

5. Dispute Resolution. Any dispute arising out of this MOU shall be settled by the Directors of Public Works for Hyattsville and Mount Rainier meeting jointly. Should they fail to come to a resolution, the dispute shall be resolved by the City Administrator for Hyattsville in

consultation with the City Administrator's counterpart at Mount Rainier. The decision of the City Administrator of Hyattsville shall be final.

6. Insurance. Hyattsville is responsible for obtaining and maintaining appropriate insurance for the street sweeping services.

7. Indemnification/Hold Harmless. Hyattsville and Mount Rainier agree to indemnify and hold harmless the other Party from and against any claim for loss, personal injury, and/or damage that may be suffered as a result of each party's own negligence or willful misconduct in the performance of the services herein or for any failure to perform the obligations of this MOU, including, but not limited to, reasonable attorney's fees and any other costs incurred by each Party, in defending any such claim. Each Party agrees to notify the other Party in writing within ten (10) days of receipt of any claim or notice of claim made by third parties against the Party regarding the services and work provided hereunder. This provision shall survive termination of this MOU.

8. Renewable Annually. This MOU shall be renewable annually on the first day of July.

9. Laws of Maryland. This MOU shall be construed to be in accordance with the laws of the State of Maryland.

10. Termination. Either party hereto may cancel its participation in this MOU at any time by giving thirty (30) days written notice to the other party.

11. Notice. All notices, demands, or requests (each a "Notice," and, collectively, the "Notices") required or permitted to be given pursuant to this MOU shall be in writing, and shall be by certified mail, postage prepaid, return receipt requested, and all such Notices shall be deemed delivered when received. Members of the Prince George's County Board of Education  
Sasser Administration Building  
14201 School Lane  
Upper Marlboro, MD 20772

Dear Chair Jackson and Members of the Board of Education,

On behalf of the City Council and the Hyattsville Education Advisory Committee, I write to urge the Board of Education to protect and strengthen language immersion programs and continuation pathways throughout Prince George's County Public Schools, including the César Chávez Dual Spanish Immersion program, as implementation of the FY27 budget moves forward.

Language immersion programs represent some of the most successful and innovative educational opportunities offered by PGCPSS. These programs help students become bilingual, biliterate, and culturally competent while maintaining strong academic achievement. They prepare students for success in college, careers, and civic life while reflecting the diversity and global connections that make Prince George's County such a vibrant community.

For families in Hyattsville and surrounding communities, the César Chávez Dual Spanish Immersion program is an important educational asset. Many families actively seek out immersion opportunities because they provide students with valuable language skills, broaden cultural understanding, and create pathways to lifelong learning. Programs like César Chávez help attract and retain families within PGCPSS and strengthen confidence in our public school system.

I recognize the difficult financial decisions facing the school system and appreciate the efforts required to balance competing priorities. At the same time, the City believes that strong academic programs should remain central to the Board's vision for student success. Language immersion programs are not supplemental opportunities; they are proven educational investments that deliver lasting benefits for students and families.

We are particularly concerned about discussions surrounding reductions to immersion pathways and opportunities for students to continue their language learning experience as they progress through middle and high school. The value of immersion education depends on a strong and coherent pathway that allows students to build upon the skills they have developed over many years.

As the Board continues to make decisions regarding program implementation and resource allocation, we ask that you:

- Preserve and support the César Chávez Dual Spanish Immersion program
- Maintain strong immersion continuation pathways through middle and high school
- Avoid reductions that would weaken access to language immersion opportunities for

students and families

- Engage families, educators, and community stakeholders in a transparent process before making significant programmatic changes
- Continue investing in educational programs that strengthen student achievement and make PGCPs a destination for families

Prince George’s County should build upon successful programs that expand opportunity and prepare students for the future. Our students deserve access to innovative, high-quality educational experiences that support academic excellence and reflect the strengths of our diverse community. I urge the Board to continue to give its full support to language immersion opportunities and ensure that students have access to strong immersion pathways from elementary school through graduation. Thank you for your leadership and consideration.

Sincerely,

Robert S. Croslin  
Mayor

Hyattsville Resolution 2026-02: Issuance of Refunding Bonds for the University Town Center Special Taxing District (UTC)

**Suggested Action:**

I move that the Mayor and Council introduce Hyattsville Resolution 2026-02 authorizing and empowering pursuant to notice of a public hearing for the issuance of refunding bonds related to the University Town Center Special Taxing District in the City of Hyattsville in an aggregate principal amount not to exceed \$12,500,000.00 at an interest rate or rates not to exceed 8.00% per annum and to refund or advance refund, in whole or in part, the outstanding City of Hyattsville Special Obligation Bonds (University Town Center Project), Series 2016 and fund or pay other costs permitted within RESOLUTION 2026-02. Additionally, RESOLUTION 2026-02 provides that such refunding bonds and the interest thereon shall never constitute a general obligation debt of, or a pledge of the City's full faith and credit or taxing powers; such refunding bonds shall be payable solely from special taxes levied on property within the University Town Center Special Taxing Districts in accordance with the existing Rate and Method identified in RESOLUTION 2026-02. RESOLUTION 2026-02 authorizes the Mayor by executive order (as permitted by the Special Taxing District Act) to make certain approvals and determinations relating to any such refunding bonds and the documents relating thereto. The purpose of authorizing the refunding or advance refunding of the 2016 Special Obligation Bonds is to take advantage of lower market rates and lower debt service payments over time on outstanding bonds secured by special taxes levied in the University Town Center Special Taxing District. This will result in a reduction in the amount of special taxes paid by property owners in the District. (FIRST READING).

**Legal Review Required?**

Completed

**Summary Background:**

In 2004, city council passed Hyattsville Resolution 2004-02 and 2004-03, which together designated a special taxing district in Hyattsville known as the "University Town Center Special Taxing District" and created a special fund to collect taxes from the owners within the UTC to pay for the debt service for the issuance of special obligation bonds in the amount of \$18,000,000.00 for infrastructure improvements related to the "University Town Center Special Taxing District". In 2016, city council passed Hyattsville Resolution 2016-03, which authorizes the refunding or advance refunding, in whole or in part, the UTC 2004 Special Obligation Bonds, and the proposed Resolution 2026-02, authorizes the refunding or advance refunding of the UTC 2016 Special Obligation Bonds. The purpose of authorizing the refunding or advance refunding of the 2016 Special Obligation Bonds is to take advantage of lower market rates and lower debt service payments over time on outstanding bonds secured by special taxes levied in the University Town Center Special Taxing District. This will result in a reduction in the amount of special taxes paid by

property owners in the District. Additionally, and as noted in the resolution titles of Hyattsville Resolutions 2004-03 and 2016-03 and 2026-02, the UTC Special Obligation Bonds and the interest shall never constitute a general obligation debt of or a pledge of the City's full faith and credit or taxing powers. A public hearing is required and will be advertised at least ten days prior to the second reading and passage.

**Next Steps:**

Final Second reading passage of Hyattsville Resolution 2026-02 at the July 13th, 2026 council meeting.

# Retiree Health Benefits

*Final Recommendations to the City Council*

---

Department of Human Resources · June 2026

# ■ What We Are Asking the Council to Approve

A recommendation that fully protects every current employee and retiree while establishing a sustainable benefit for the future workforce.

## PILLAR 1

### Protect Current Commitments

Grandfather all current employees and retirees. Current retirees' contributions will not change. The City continues to contribute up to 70% toward retiree and eligible spouse coverage; spouse, dependent, and Medicare coverage are unaffected.

## PILLAR 2

### Closed to New Hires

Effective July 1, 2026, the retiree health benefit is closed to new hires. Employees hired on or after that date are not offered the benefit — capping and ultimately eliminating the City's future liability.

**The result:** every current employee and retiree is fully protected, and the City bends a cost curve projected to nearly double by 2031.

# ■ Why Act Now: The Cost Trajectory

## \$384K

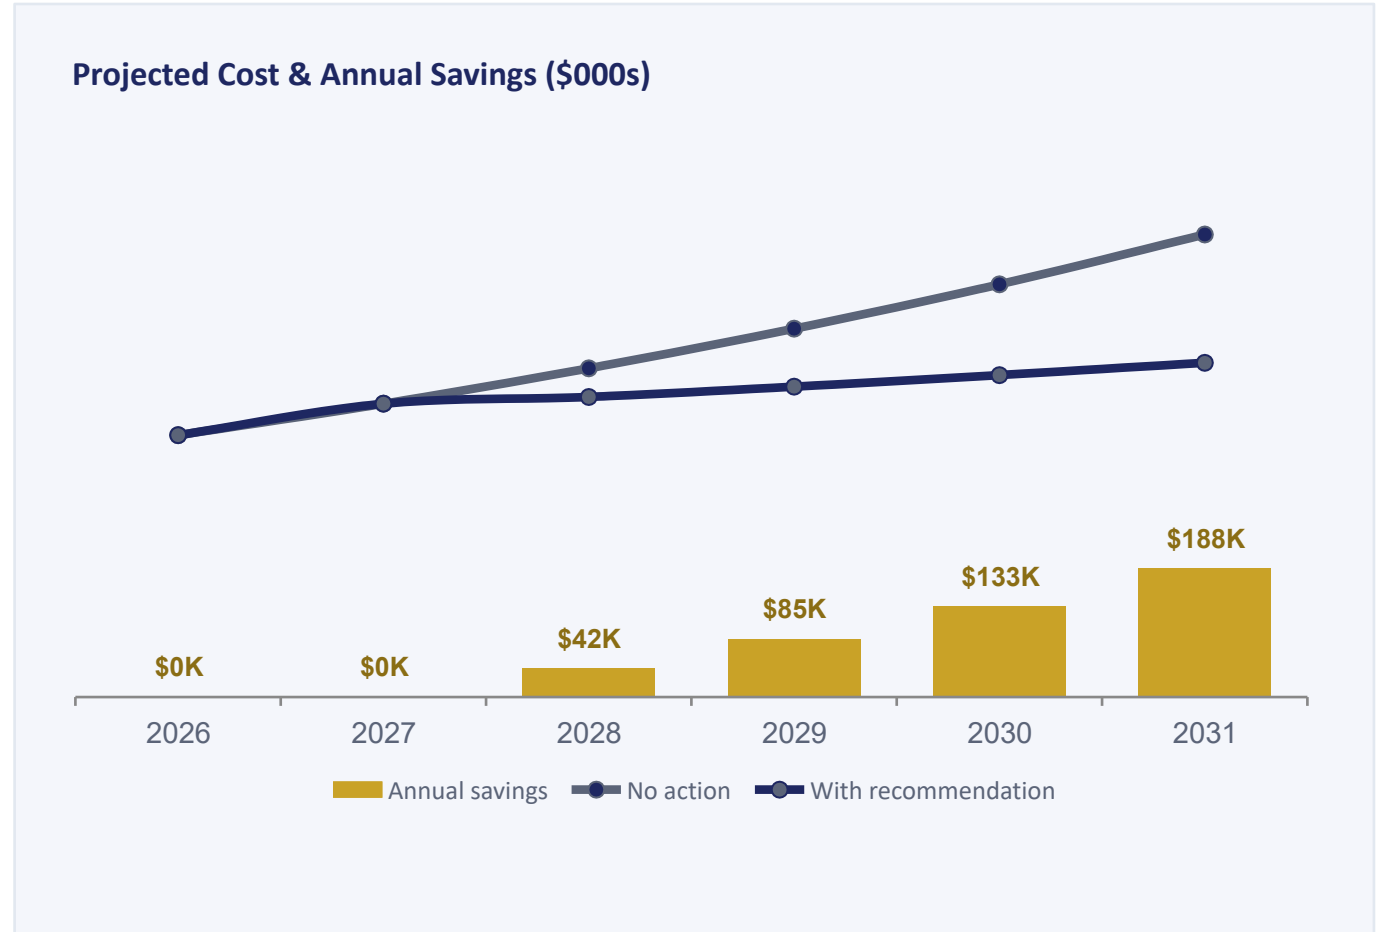

Current net annual City cost of retiree health benefits

## \$3M+

Five-year cost on the current path, no action

## ~\$450K

Projected savings, FY2028–2031, under the recommendation\*

\*Illustrative. Cost-containment provisions reduce City cost beginning FY2028; subject to actuarial validation. No-action path reflects 7.5% trend plus enrollment growth, net of retiree contributions.

# ■ How We Reached This Recommendation

This recommendation is the product of a deliberate, data-driven process developed with Finance and reviewed with Council.

01

## Data Analysis

Analyzed the March 2026 State remittance: 43 non-Medicare retirees and a net City cost of roughly \$32,000 per month.

02

## Peer Benchmarking

Compared against neighboring municipalities — most comparable Maryland jurisdictions offer no retiree health benefit at all.

03

## Scenario Modeling

Projected the cost trajectory and tested multiple cost-sharing and plan-design options against a no-action baseline.

04

## Council Engagement

Presented findings and options in March and April 2026; this deck consolidates that work into a final recommendation.

# ■ Guiding Principles

## Honor Our Commitments

No current employee or retiree loses a benefit they were promised. Existing obligations are protected in full.

## Fiscal Sustainability

Contain a cost that is projected to nearly double by 2031 and reduce the City's long-term liability.

## Internal Equity

Bring retiree cost-sharing into closer alignment with active employees over time.

## Simple to Administer

A single, clear rule applied prospectively — easy to communicate and to manage.

# ■ The Recommendation in Detail

## Pillar 1 — Grandfather

- Current retirees' contributions will not change.
- Current employees keep the existing benefit at retirement — no reductions.
- The City contributes up to 70% of premium for the retiree and eligible spouse.
- Spouse, dependent, and Medicare coverage are unaffected.

## Pillar 2 — Closed to New Hires

- Effective July 1, 2026, the benefit is closed to new hires.
- Employees hired on or after that date are not offered retiree health coverage.
- No impact on any current employee or retiree.
- Caps and ultimately eliminates the City's long-term retiree-health liability.

*Current benefits are preserved in full; closing the plan to new hires is the long-term structural fix.*

# ■ Who Is Affected — and Who Is Not

## Current Retirees

**GRANDFATHERED**

Contributions will not change.  
Existing benefits, spouse and dependent coverage, and Medicare coverage continue exactly as today.

## Current Employees

**GRANDFATHERED**

No change. Current eligibility and benefit terms are honored when they retire.

## Future Hires

**BENEFIT CLOSED**

Not offered retiree health benefits.  
Applies to employees hired on or after July 1, 2026.

# ■ Shared Responsibility: Cost-Containment Provisions

Three coordination and stewardship requirements that preserve coverage while keeping the program sustainable.

01

## Coordinate with Employer Coverage

Retirees with access to other employer-sponsored insurance must enroll in it. The City plan coordinates as the secondary payer.

02

## Annual Coverage Attestation

Each year, retirees sign an affidavit confirming any other health coverage available to them, so benefits coordinate correctly.

03

## FY2028 Lowest-Cost-Plan Standard

Beginning FY2028, for retirees going forward, the City's contribution is set to the lowest-cost qualifying plan; a higher-cost plan means paying the difference.

*Current retirees' contributions will not change — the lowest-cost-plan standard applies to retirees going forward.*

# ■ Transparency & Long-Term Sustainability

The City is committed to managing retiree healthcare openly and responsibly — so the benefit stays dependable for today's retirees and viable for tomorrow's.

## Open Reporting

An annual report to Council on enrollment, cost, claims trend, and unfunded liability.

## Regular Benchmarking

Periodic comparison against peer jurisdictions to keep the benefit fair and competitive.

## Clear Communication

Plain-language explanation of benefits, contributions, and obligations for every retiree.

## Periodic Review

Scheduled review of plan design and funding to sustain the program over the long term.

# ■ Fiscal Impact: A Long-Horizon Fix

## Near Term: Savings Begin FY2028

The coordination-of-benefits and lowest-cost-plan provisions start reducing City cost in FY2028 — even as current benefits are fully preserved.

## Long Term: Structural Savings

Closing the plan to new hires fixes the covered population and winds the City's long-term retiree-health (OPEB) liability down over time, toward zero.

## Closed to New Hires

EFFECTIVE JULY 1, 2026

Employees hired on or after this date are not offered retiree health benefits.

*Current benefits are preserved in full; the covered group is now fixed and declines over time, winding down the City's long-term liability.*

# ■ Implementation

**Throughout:** current employees and retirees keep their benefits in full — new provisions add coordination and transparency, not benefit reductions.

# Requested Action

## **That the City Council approve the retiree health benefits recommendation:**

### **1. Grandfather all current employees and retirees**

— existing benefits preserved, including the City's contribution of up to 70% toward retiree and spouse coverage; and

### **2. Close the retiree health benefit to new hires, effective July 1, 2026**

— employees hired on or after that date are not offered the benefit; and

### **3. Adopt cost-containment and transparency provisions**

— coordination with available employer coverage, an annual coverage affidavit, an FY2028 lowest-cost-plan standard, and annual reporting to Council.
