DECLARING JUNE 2, 2019 TO BE NATIONAL GUN VIOLENCE AWARENESS DAY

This proclamation declares June 2, 2019, to be National Gun Violence Awareness Day in the City of Hyattsville to honor and remember all victims and survivors of gun violence.

WHEREAS, every day, countless lives are affected by gun violence and every day, adults, children and teens are shot in murders, assaults, suicides and suicide attempts, unintentional shootings, and police interventions; and

WHEREAS, the highest responsibility of our Mayor and Council is to protect the public and ensure our community's safety; and

WHEREAS, elected officials and law enforcement officers know their communities best and are best positioned to understand how to keep our residents safe; and

WHEREAS, support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from dangerous people; and

WHEREAS, in honor of Hadiya – and the countless lives who are cut short and the countless survivors whose lives are forever changed by gun violence – a national coalition of organizations has designated June 2, 2019, as the fifth annual National Gun Violence Awareness Day; and

WHEREAS, the idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing the color orange, which among other meanings represents the value of human life;

NOW, THEREFORE BE IT RESOLVED, that the Mayor and Council of the City of Hyattsville, do hereby recognize June 2, 2019, as National Gun Violence Awareness Day, and invite all to join this campaign by pledging to wear orange on June 2, as we raise awareness of gun violence and renew our community's resolve to reduce that violence by keeping firearms out of the wrong hands and encouraging responsible gun ownership.

Summary Background:
During the May 6, 2019 Council meeting the Mayor and Council authorized the City Administrator to send a memorandum to Prince Georges Public Schools (PGCPS) Capital Programs Office identifying two potential sites that met the requirement for "free and clear sites" for the Hyattsville Middle School (HMS) and could be further evaluated for inclusion in the upcoming Request for Proposal (RFP) for Alternate Construction Financing. PGCPS had previously advised the City that to be included in the first round of schools being published in the July/August RFP, the City would need to provide a free and clear site by May 2019 for contractors to evaluate when responding to the PGCPS proposal. In response, and with input from the Educational Facilities Task Force, the City submit the Magruder Park site and the current HMS Middle School site for further evaluation by PGCPS. Prince George's County Public Schools
Department of Capital Programs

Upper Marlboro, MD 20772

Attn: Shawn Matlock & Elizabeth Chaisson

The Prince George's County 2017 Educational Facilities Master Plan (EFMP) and the recent information provided by the Prince George's County Public Schools Capital Program Office, have prioritized Hyattsville Middle School in the first round of schools eligible for new construction. The Hyattsville Middle School facility, in addition to being functionally obsolete, is overcrowded, has mold, is under-lit and as conditions continue to deteriorate, exposes our most valuable resource, our children, to unsanitary and unhealthy conditions.

The Prince George's County Capital Program Director Mr. Shawn Matlock, and Ms. Elizabeth Chaisson advised the City that they intend to release a Request For Proposal (RFP) for Alternate Construction Financing (ACF), also referred to as Public Private Partnership (P3), in July or August of 2019. Further, they advised that Hyattsville Middle School (HMS) will be included in the RFP, but to be considered, the City must propose a site that is free and clear of encumbrances (City owned or available property) by May 2019.

To assist in the effort, the Hyattsville City Council appointed an Educational Facilities Task Force to evaluate potential locations and provide proposed sites for further consideration by the County. The Task Force completed their evaluation in May 2019, and the Mayor and Council have authorized me to submit the following two locations for further evaluation by the the Prince George's County Public Schools Capital Program Office.

> **1) The current HMS location:** This location provides the requisite site control, could potentially allow students to remain on-site during construction, could eliminate the need for prolonged swing space, and depending on timeline, could be minimally disruptive. However, there would be challenges to staging construction materials, the site could prove disruptive to the surrounding community, and could exacerbate the current bus and parking concerns during construction.

Candace B. Hollingsworth
Mayor

Tracey E. Douglas
City Administrator

2) Magruder Park: The Southwest corner of the park provides land partially owned by Maryland National Capital Park and Planning Commission, meets the required 12,000 sq ft acreage and may allow for improved and shared open green space and sports fields. On the other hand, the park is located in an environmentally sensitive area, and could result in the loss of valued City open space and tree canopy, and requires extensive community input and site mitigation prior to construction.

The City of Hyattsville requests the Capital Investment Program Office conduct a thorough site-fit analysis prior to making a final recommendation on the proposed site selection to the Mayor and Council, and prior to inclusion in the upcoming RFP. In addition, the City will assist with a public outreach campaign to gain input from residents and stakeholders on the proposed sites.

We appreciate the opportunity to provide input regarding site selection and placement of the Hyattsville Middle School.

Sincerely,

Tracey E. Douglas

City Administrator Comments:
Fully Support. Skip Cornbrooks provides the City and staff with sound legal advice and judgement and can address a wide array of complex and unique legal matters. The City has benefited from having a responsive attorney in a large firm, at an extremely competitive rate, who is able to provide opinion on issues that many municipalities consider and contract for as "specialized". Examples include election law, land use, zoning issues, personnel/employment,

economic development, telecommunications, PIA, contractual issues, legislation, liability mitigation, and LEOBR issues.
