Discussion Items:

1. Grief Support

MAR: Would it be possible to formally recommend a suggestion to name the Educational Enrichment Grant in honor of Mayor Kevin Ward?

EAC Unanimous approval

2. Review and Selection: Education Enrichment Grants

SAR: We will want to begin reviewing the rules surrounding the number of grants and how many grants can go to the number of schools. The Grant must be used this year, it cannot be used next year.

MAR: Do we want to consider using this money to aid the students that are struggling that are waiting for the bus?

RC: I'm trying to understand what the grants are for? Are these designed to help the students? I want to understand what we are trying to do about all of this?

SS: We actually recommended people to apply for the grants so that these funds get distributed.

MAR: Let's talk about the Hyattsville Middle School Grants. Right now the rule is that we can only give \$500 per grant.
